

BAT CONSERVATION TRUST

OUT OF HOURS PROJECT 2019

Every year dedicated volunteers help us run an emergency Out of Hours phone service to cover the busiest time of the year.

CALL BREAKDOWN

THE NUMBERS

47 VOLUNTEERS WERE TRAINED...

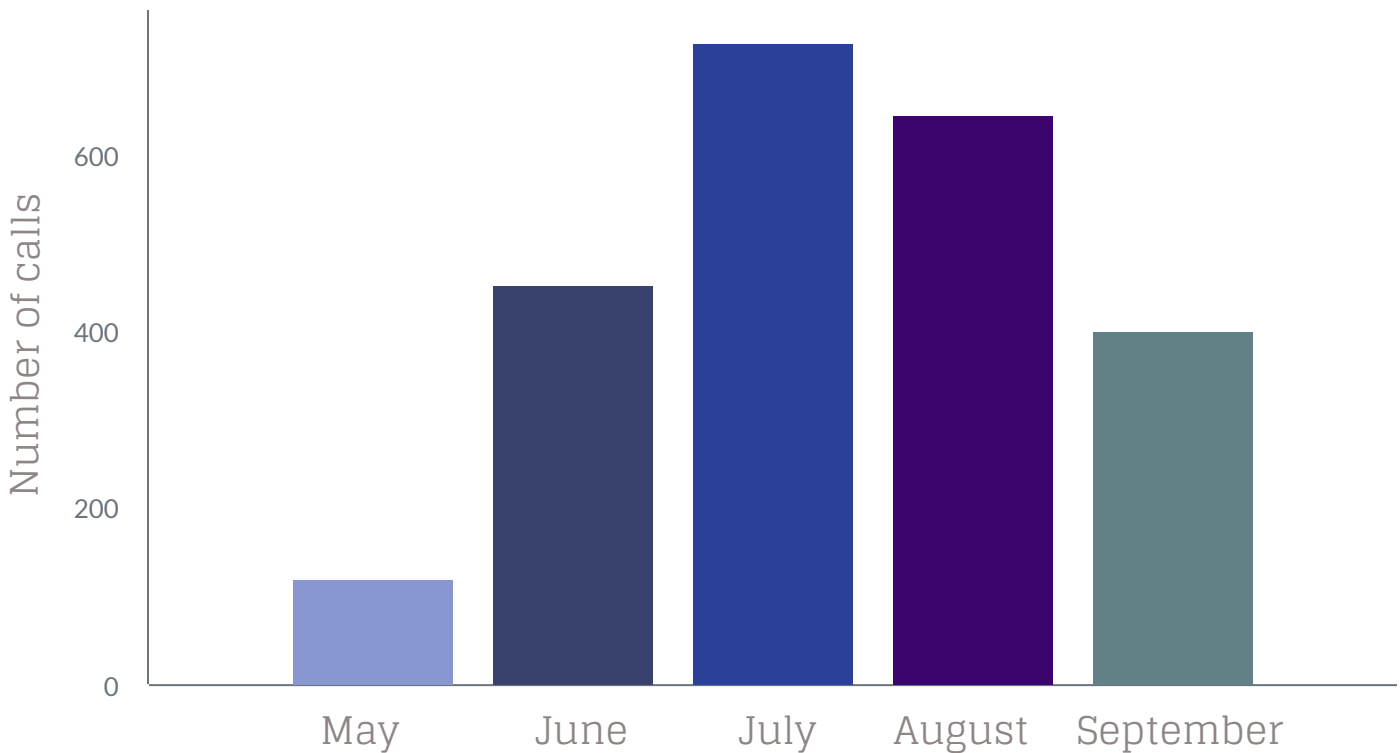

...DONATING A HUGE **1,937** HOURS...

...TAKING **2,345** CALLS IN TOTAL

CALL VOLUMES

The service started on the 24th May and the majority of calls were received at the height of summer. In 2019, volunteers assisted with the National Bat Helpline's busiest July EVER.

We could not have done this without the amazing Out of Hours volunteers!
