BAT CONSERVATION TRUST – FUNDRAISING STATEMENT

Bat Conservation Trust (BCT) was established to promote the conservation and study of bats in the British Isles and elsewhere in the world, and to disseminate information relevant to these objects. BCT is committed to these charitable aims, and fundraises in order to fulfil these. BCT respects the rights of its members and supporters to have clear, truthful information on the work we are involved in; to openly report how we spend donated and statutory funds and to manage donors' information responsibly. We will comply with the Charity Commission and UK law in every respect, including those regarding openness and honesty with our supporters and members of the public. We respect the privacy and contact preferences of all members and donors. We will respond promptly to requests to cease contacts or complaints and act to address their causes.

At BCT we do not, pass on contact details of our supporters and donors to anyone else, including other charities. We respect the wishes of our members, supporters and donors who ask for no further contact from us, and we adhere to Data Protection Law. We employ reputable companies to assist with membership renewals and in distributing membership material. We do not employ fundraising or marketing agencies to target people by telephone, or in the street, to persuade them to set up regular donations to BCT.

BCT has a small fundraising team which works hard to gain funding for our work. We also support others who choose to make donations or take part in fundraising activities in whatever way they can.
